Dental 160

## Smile, We've Got You Covered.

Individual dental benefits made affordable.

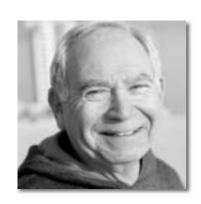

## We give you something to

# Smile about!

# Your health benefits just aren't complete without dental coverage.

hether you need coverage for yourself or for a growing family, you'll appreciate the Dental 160 plan's comprehensive benefits. Routine exams are covered at no charge. And the plan covers a range of preventive, routine and major services at a fraction of what you would pay without coverage. There's even an orthodontic plan with special pricing. Now, that's worth smiling about!

The Dental 160 plan is simple to use. There are no claim forms and no deductibles. Annual premiums are low. You make affordable copayments for common covered dental procedures. (See the Benefit & Copayment Highlights inside.)

## The Dentist Just For You

hen you join PacifiCare Dental, you'll select a contracted dentist from our directory to oversee your dental care. All dentists are rigorously screened before they're added to our network. With one of the largest dental HMO networks in California, you're sure to find a dentist you're comfortable with at a location that's convenient for you.

For a provider directory, please visit our Web site at **www.pacificare-dental.com** or contact Member Service at 1-800-22-TEETH (1-800-228-3384).

## Brace Yourself: Orthodontia Is Included Too

traight teeth are important, not only for a great-looking smile, but for the lifelong health of your teeth, gums and mouth. That's why Dental 160 includes a value-priced orthodontic program. You pay a specially negotiated fee (most orthodontists accept payment plans), plus startup, retention and final records fees.

Your PacifiCare Dental primary care office submits a referral form. Then, PacifiCare Dental sends you an *Explanation of Benefits* which includes the name and location of a contracted orthodontist who can provide the orthodontic treatment.
